Making a Difference One *Life* at a Time

**Then the woman of Samaria said to Him, “How is it that You, being a Jew, ask a drink from me, a Samaritan woman?” For Jews have no dealings with Samaritans.
John 4:9 NKJV**

Have you ever felt like the Samaritan woman? That you were unnoticed—easy to overlook? It was all she could do to accept that Jesus would even speak to her. Like her, there are times when **we have to get out of our own way to see what Jesus is offering us.** This is often the issue with which many of the women who come to us are struggling. They feel unseen. Their struggles are very private and are unknown by others around them.

This is our challenge at Black Hills Pregnancy Center. It is **our job to reach the heart** of each woman and to **show her the love of Jesus**, providing hope for the future. This coming year, our **focus** is on **preparing the ground for a fruitful harvest.** In these turbulent times, there is not a lot we can count on. But what we do know is that **we are called to this work of reaching our clients for Christ.** As servants of Christ, we choose each day to put our hand to the plow and not look back.

This past year, **we are thanking the Lord** to have seen an **increase in the number of babies rescued** from potential abortions! This **boots-on-the-ground ministry** is vibrant and **essential for these women** who often feel overlooked and unloved.

Will you join us in becoming a **prayer partner** for this ministry? We also are in need of **monthly support partners** who will help us keep current with our **financial needs** for expenses like ultrasound training, Earn While You Learn resources, and operational costs. **A monthly gift of \$500, \$250, \$100** or any other amount can make **a positive impact on the women** who come to us **looking for answers** to life’s big questions.

One *Life* at a Time,

Travis
