

End of Year Update 2023

MAKING A DIFFERENCE, ONE *Life* AT A TIME.

"Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God."

Philippians 4:6

You provided Hope & Encouragement this year!

We **Thank GOD** for the blessings he has bestowed on the Black Hills Pregnancy Center so that we can **provide Hope and Encouragement** to those who come through our doors.

We **Thank YOU** for being the hands and feet and partnering with us so that we can **provide the services our clients need** to make healthy and informed decisions.

Look at what clients had to say:

"Thank you for the helpful video and for talking to me. **I am very happy** because you remember me." – International client

"An abortion-minded client came in feeling very overwhelmed and unprepared for pregnancy. She expressed, **'I feel so calm and safe here.'** The environment really helped ease her worries. **She has chosen life!**"

How can you make a difference in the year ahead?

By partnering with us in serving expectant mothers in need of support!

We need your partnership to continue offering resources such as our Earn While You Learn parenting classes, ultrasounds, diapers, car seats and staff training.

A committed monthly gift can provide **encouragement in the lives of mothers, fathers, and their babies**, giving them hope where there was anxiety, stress and uncertainty before. By becoming a monthly financial partner, **you can help us budget for the year ahead.**

Our projects for 2024 include:

- **Finding a larger facility to accommodate our ministry.**
- **Growing the Fatherhood program.**
- **Become an Abortion Pill Rescue Network facility.**

One *Life* at a Time!
