

“Defend the weak and the fatherless; uphold the cause of the poor and the oppressed.”

Psalm 82:3 NIV

You made a difference this year!

Reaching our community to **support new mothers, new fathers and their unborn babies** is the essence of the ministry at Black Hills Pregnancy Center.

We’ve stood on the **frontlines showing the light of Jesus to our community** in 2022. **Your financial partnership** with the Black Hills Pregnancy Center has **meant the world to our clients.**

Look at what two clients had to say:

“I couldn’t believe how easy it was to talk to everyone here. You could just feel how much they cared about me and my baby.”

“I was so scared and upset when I found out I was pregnant. But the people at Black Hills Pregnancy Center helped turn that around and now I can’t wait to be a mom!”

How can you make a difference in the year ahead?

By partnering with us in serving expectant mothers in need of support!

We need your partnership so we can continue offering resources such as our Earn While You Learn parenting classes, ultrasounds, diapers, car seats and staff training.

A committed monthly gift can help **make the difference in the lives of mothers and babies, giving them hope** where there was anxiety, stress and uncertainty before. By becoming a monthly financial partner, you can help us budget for the year ahead.

Our projects for 2023 include:

- **Finding a larger facility to accommodate our ministry.**
- **Partnering with Fort Hope, a post-abortion men’s healing ministry.**
- **Partnering with Chanku Waste Ranch and reaching mothers with our Earn While You Learn parenting program on Pine Ridge.**
