

End of Year Update

MAKING A DIFFERENCE, ONE *Life* AT A TIME.

“For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many.” Mark 10:45 NIV

Because of you we are able to serve!

We love to follow in Jesus’ footsteps to serve others. Because of you, we’ve been able to do just that. The staff and volunteers at Black Hills Pregnancy Center have had an incredible year of service and success in 2021. **Because of your generosity**, we have been able to serve our community. Here are some client comments:

“I’m so blessed to have found such a wonderful place to make this transition to motherhood so smooth!”

“It’s wonderful, the things you do here.”

We have seen generosity in our clients, too. **One client found out that another client was her neighbor who was needing items for her baby. She donated her earned baby bucks to this neighbor/client so she could shop in the Baby Boutique and get the items she needed.**

How can you help serve?

By becoming a **partner** with this ministry! We need people who will commit to **pray** and to **serve**. We also need **monthly support partners** who will help us keep current with our financial needs to offer resources such as Earn While You Learn, ultrasounds and staff training. **A monthly gift can make all the difference to a woman facing difficult circumstances.**

Additionally, we are in search of a full time or part time Event Coordinator.

Looking ahead, we are working towards finding a larger facility to accommodate our work since we have maxed out our current location. If you can help, please let us know.

One *Life* at a Time,

Travis
