# WORDS OF GRATITUDE

## FROM THE DIRECTOR:

### ELAN & KENZIE

The door swung open at the Black Hills Pregnancy Center and in walked a handsome young man, his dark hair pulled into a loose ponytail. Looking around, he was surprised at how warm and welcoming the facility and staff were. "I just came for some information for my girlfriend," Elan explained. Half an hour later, he left with information about the Earn While You Learn program, and an appointment for a consultation and ultrasound for his girlfriend, Kenzie.

Men like Elan, who are finding their place in the often-unfamiliar world of fatherhood, are an important part of the ministry at Black Hills Pregnancy Center. The importance of a stable, loving, and involved father in the family cannot be overstated. While we know that mothers are essential for the health and growth of a child, a father's involvement is just as significant. Together, their complementary strengths contribute to raising a child. The beauty

of the Earn While You Learn program is that it has something for everyone. It is designed to help educate both mothers and fathers to be confident and caring in their specific roles in the household. Through this program, fathers can learn how to care for a baby's physical needs, how to identify and treat illnesses, and how to work with the mother to solve problems as they arise.

We love watching our clients grow through this essential education program. When they earn Baby Bucks and can visit the Baby Boutique as a reward for their efforts, there are smiles on everyone's faces. By contributing to Black Hills Pregnancy Center, you allow us to continue to offer this support to people like Elan, Kenzie and their baby. ## GOOGLE BOOST WITH ONLINE CAMPAIGN!

We're thrilled to share the success of our new advertising campaign launched in partnership with Choose Life Media! Designed to connect with abortion-vulnerable and abortion-minded women, the campaign made a powerful impact. In March alone, we saw a 24% increase in Google searches and a noticeable surge in phone calls and appointments at the center. More women are reaching out—and we're here for them.

"I love the Pregnancy Center Help Center. They are the most wonderful and loving people no matter what kind of services you need. They are always there to help! I would recommend going to the Pregnancy Help Center for all your pregnancy needs no matter what stage of pregnancy you're in! They have wonderful staff and volunteers who are always willing to help those in need!"

~ MARY

"I love the Black Hills Pregnancy Center, it's really helpful and good with resources when it comes to pregnancy. They have the utmost wonderful respect and made me feel right at home. I love all the new stuff you can get here just by coming and learning from the classes they do."
