HELP UNDERWRITE OUR ANNUAL FUNDRAISING DINNER

Our annual fundraising dinner is the most important opportunity we have each year to invite the community into the mission and raise support for the women, babies, and families we serve. To help make the evening as impactful as possible, we are seeking **\$50,000 in sponsorship support to underwrite the cost of the event.**

Would you consider joining a **Leadership Challenge** to help meet that goal? We are prayerfully seeking partners willing to help underwrite the dinner through leadership gifts, **for example, 10 partners at \$5,000, 20 partners at \$2,500, or gifts at other meaningful levels.** Every sponsorship helps cover event expenses so that the funds raised that evening can go directly to benefit the center and the ministry.

If you would like to help underwrite the event, or know someone who may have interest in doing so, we would be honored to visit with you, please call 605-341-4477 to set up a visit with Travis.

WILL YOU ATTEND?

WHY YOUR RSVP MATTERS

We also want to **encourage** everyone planning to attend the banquet to **please RSVP** and submit your table names by the registration deadline **of 9/3/26**. This may seem like a small detail, but it makes a significant difference in helping us prepare well. **Timely registration** allows us to finalize seating, provide accurate meal counts, prepare materials, and be good stewards of event expenses.

In past years, we have had guests indicate they were coming but not complete registration until the last minute, or arrive without being registered, which creates challenges for seating and planning. **Registering by the deadline of 9/3/26 helps us** serve all our guests **well and ensures your place** at the event is ready. Thank you for helping us make the evening run smoothly and successfully.

MISSION IN MOTION

THE BEST OPTION FOR SECURE SUPPORT

A SIMPLE WAY TO STRENGTHEN YOUR IMPACT

Because of your faithful support, lives are being changed every single day at the Black Hills Pregnancy Center. **Women are finding hope, families are being strengthened, and the message of life is reaching those who need it most.** We are truly grateful for your partnership.

As our ministry continues to grow, we want to share a practical way you can help us serve more effectively and consistently through online giving.

Over the past year, **we've experienced ongoing challenges with postal delivery. Some of our mail has been delayed, misdelivered, or, in a few cases, never arrived at all,** including important financial gifts that had to be canceled and reissued. While these situations are outside of anyone's control, they do create uncertainty for both you and us.

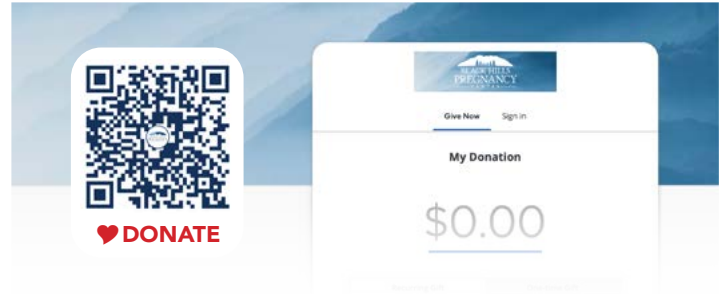

More importantly, this challenge **makes it difficult for us to clearly plan month-to-month** as we strive to steward the resources entrusted to us.

That's where you can help in a meaningful way.

We would like to invite you to consider moving your giving to our secure online giving platform.

Online giving provides:

- **Reliability** – Your gift arrives safely and immediately
- **Consistency** – Recurring giving helps us plan and serve with confidence each month
- **Simplicity** – A one-time setup makes ongoing support easy
- **Impact** – Allows us to focus more time on ministry and less on administrative challenges

For many of our partners, setting up a recurring monthly gift has become the most effective way to stay engaged in the mission while providing steady, dependable support.

We understand that giving is personal, and we are deeply thankful for every gift, no matter how it arrives. This is simply an **option that helps protect your generosity and strengthens our ability to plan for the future.**

Moving to online giving is one of the best ways to ensure your support is received quickly, securely and helps us plan confidently for the months ahead.

To make the switch, you can visit our online giving page through the QR code above. If you have any questions or would like assistance, we would be honored to help – please call or email.

Thank you again for standing with us. **Your partnership is making an eternal difference.**
